

# HOW to MAKE the \_\_\_\_\_ \_\_\_\_\_ that stands for LOVE, TRUTH and JUSTICE

## You will need \_\_\_\_\_

- very lightweight cardboard or very stiff paper
- pencil and scissors
- thread or yarn for hanging the flaming chalice
- supplies for decorating the flaming chalice: paint or glitter or fabric and glue or markers or crayons or whatever you wish.

Draw 2 flaming chalices exactly alike on cardboard or stiff paper. You can use the pattern above or make up your own. Cut them out.

Cut a slot half way down from the top on one, and half way up from the bottom on the other.

Decorate them on both sides. Then slide the slot of one into the slot of the other, so that the chalice points in all four directions.

Pierce a hole in the top of the flame that is not slit, and string a loop of thread or yarn for hanging.
